Hotel & Casino Accommodations

Why stay grounded when you can go sky high, more than 100 floors above the Las Vegas valley at the Stratosphere Hotel, Casino & Tower. Jutting 1,149 feet into the Vegas skyline, the iconic Stratosphere Tower is the tallest freestanding observation tower in the United States and one of the most exciting attractions among Las Vegas Strip hotels. The magnificent panoramic view of the shimmering Las Vegas Strip and valley was voted best of 2010 by *Las Vegas Review-Journal* readers. But that's just the beginning. The Vegas hotel tower is not only record-setting because of its height. It also houses the world's highest thrill rides and the tallest controlled free fall in the world, Sky Jump Las Vegas. Also at the top are the highest nightlife venues and restaurants of any Las Vegas hotel on the Strip, including the award-winning Top of the World, which rotates 360 degrees as you dine. And talk about a truly unique setting for your next corporate or social event. Come to our 80,000 square-foot Las Vegas casino ready to play and win, shop your way through our Tower Shops, and stop in at our salon and spa for a relaxing body treatment, before you head to the top of our 112-floor Tower. The elevator ride takes less than a minute. But the memories you create at the top of this Vegas tower will last a lifetime.

Golf Courses

Red Rock Country Club- Arnold Palmer Signature Course – Rolling fairways, dramatic water features and multi-tiered greens characterize the 7001-yard, par-72 Private Mountain Course and the 6883-yard, par-72 Semi-Private Arroyo Course at Red Rock Country Club. With a minimum of five tee placements per hole, players of all levels enjoy a challenging and exhilarating world-class golfing experience.

The Arroyo Golf Club at Red Rock- Arnold Palmer Signature Course –The Arroyo golf course ribbons seamlessly through the rugged terrain and is nestled between the spectacular landscapes of Red Rock Canyon, one of Las Vegas' most revered natural landmarks. Panoramic views of the Las Vegas cityscape are stunning from the Arroyo's hole #7. This Las Vegas golf course is considered a masterpiece that offers challenges to both beginners and advanced players. The well-kept course makes a stark, yet beautiful, contrast to the rugged terrain that surrounds it. The Nevada weather makes our Red Rock golf club the perfect destination for golfers all year long.

Siena Golf Club- Schmidt-Curley Designs of Scottsdale- Siena Golf Club was selected as the 2009 Nevada Course of the Year by the Nevada Golf Course Owners Association. Siena has variety in the routing and pacing of holes will keep all levels of golfers entertained from opening tee shot to final tap-in. Siena features an ideal blend of doglegs and straightaway holes, a mix of slender and ample fairways, a balance between benign and rugged green complexes.
